re: Brent A. Hanson B-05-82419 C-13

Dear Mr. Hagele:

I have enclosed is a copy of a letter written to Richard M. Hutson, who is the Chapter 13 Standing Trustee in this case and in which I have requested that he investigate the matters mentioned in your letter. I have asked him to send me the results of his investigation along with a recommendation concerning referring this matter to the U.S. Attorney.

Sincerely yours,

A handwritten signature in blue ink that reads "Michael D. West". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
